Way Lined With Interested Spectators Who Greet the Veterans With Continuous Rounds of Applause.

MANY AGED AND INFIRM DROP FROM THE LINE

At Columbus, Ohio, Shortsville, New York and Carmel, Maine, Other Gatherings of Veterans Were Held of Local Interest.

SURVIVORS FROM REGIMENTS AND BRIGADES MEET

Denver, Colo., Sept. 6.—The main event of the Grand Army encampment, speaking from the viewpoint of the rank and file, was the grand parade which occurred today. Many who made the two-mile march were exhausted when the line was reached, and many others, weakened by age, fell out of the line long before the journey was completed.

The ovation given the marchers was unstinted. The streets were packed with people and the windows and roofs of buildings lining the line of march were crowded with sightseers. Cheering was continuous, and the grizzled old warriors were kept busy bowing acknowledgments and raising their hats in salute.

Light showers had fallen during the night, but the weather had cleared this morning, and the annual Grand Army parade never took place under more favorable auspices. Colonel George E. Randolph was grand marshal.

OTHER VETERANS ALSO MET AT OTHER PLACES.

Columbus, Ohio, Sept. 6.—Fuller's Ohio brigade of four-year troops, consisting of the Twenty-seventh, Thirty-ninth and Sixty-third regiments of Volunteers, infantry, opened its annual reunion in the council chamber of the

VETERAN'S MONUMENT HE MARRIED A PRINCESS

Plymouth, Conn., September 6.—This town was the scene of a rather unusual ceremony today, the unveiling of a monument erected to the honor and memory of a man once a citizen of this town, but now living in Tahiti, as the husband of a native princess. The man thus honored is Dorrence Aatwater, a native of Torrville, in the township of Plymouth. At the age of 16 Mr. Aatwater enlisted in the Union army and served through the Civil war. He saw hard fighting, and spent twenty-two months in southern prisons. While in Andersonville he had charge of the records, and secreted a duplicate copy, which was used afterward by the government in identifying the federal dead. In 1868 Mr. Aatwater was appointed United States consul to the Society Islands and three years later to Tahiti, where he served for seven years. He married a princess of the island and has since then lived there.

MARYLAND REPUBLICANS HOLD A STATE CONVENTION

Baltimore, Sept. 6.—The republican state convention met here this morning for the purpose of appointing committees and adopting a party platform. The convention met this forenoon, appointed the customary committees and then took a recess until this afternoon, when the committee on resolutions will submit a platform. Immediately after the adjournment of the convention the members of the state executive committee met, organized and elected a new chairman. An adjourned meeting of the convention will be held on September 26, when a candidate for comptroller will be named and the action of the previous session will be endorsed. There is a strong belief that Mr. John B. Hanna, the present chairman of the state committee, will be re-elected. The only other man who has been mentioned for the position is Mr. Philip Lee Goodenough, who would have to resign his position as collector of internal revenue to accept the chairmanship.

Southern Cotton Growers Meet.

Asheville, N. C., September 6.—The annual convention of the Southern Cotton Growers' association met here today for a week's session. It had originally been set for August 18, but was postponed owing to the fact that at that time the members of the association were too busy with their cotton crops to attend a convention. The opening session today the question of cotton reports was the principal subject of discussion. Many important matters will come up for consideration before the convention, including the cotton report and the outlook for the crop, the question of regulating the cotton prices and the action of the spinners who are holding out for the purpose of depressing the market.

The Insurance Inquiry Begins.

New York, Sept. 6.—The legislative committee which is to look into the evils of the insurance with a view of finding a remedy for conditions such as prevailed in the Equitable, began its investigation here today. The first open session was held in the senate chamber of the city hall this morning. Senator Armstrong presided and the examination was conducted by Messrs. Hughes and McKee, the two legal advisors of the committee.

BIRDS OF A FEATHER FLOCK TOGETHER

JUDGE ABBOTT RECOGNIZES PERFECTO ARMIJO AS SHERIFF

Clerk Turns Venires For Jurors Over to New Official to Serve--Stroup Sworn in as Superintendent of County Schools.

This morning at 10 o'clock, Judge Ira A. Abbott, sitting as judge of the second judicial district, decided that he was bound to recognize the commission of Governor Otero appointing Perfecto Armijo sheriff of Bernalillo county, and that the holder of the commission is entitled to recognition as sheriff of Bernalillo county. The court instructed the clerk to turn over the venires for the jurors who have been selected to serve at the next term of the district court, to Sheriff Armijo.

Immediately upon the decision of the judge in the points under discussion, Attorneys W. B. Childers, E. W. Dobson and A. B. McMillin, representing T. S. Hubbell, applied for a writ of mandamus to compel the clerk to turn over the venires for the jurors to T. S. Hubbell, as the lawfully elected sheriff of Bernalillo county. The court set the hearing of the writ at 2 o'clock this afternoon.

Attorneys Argue for Writ. At 2 o'clock the court heard the arguments of the counsel for Hubbell, asking that a writ of mandamus be issued to compel the clerk to turn over the venires. The judge took the matter under advisement.

The venires for the jurors were issued to Sheriff Armijo this afternoon, and he at once began to serve them. Up to a late hour this afternoon he had not taken possession of the sheriff's office. The new sheriff was asked by a citizen reporter if he intended to take charge of the office. Mr. Armijo replied: "I am acting upon the instructions of the district attorney and the court in this matter and will abide by their decisions."

New Superintendent Sworn In. At three o'clock this afternoon Prof. A. R. Stroup, the newly appointed superintendent, presented his bond to the board of county commissioners. The bond was in the sum of \$2,000 in the National Surety company of New York. The commissioners approved the bond and the oath of office was administered to Professor Stroup by Clerk Summers, of the board. Mr. Stroup made no attempt to take charge of the office this afternoon, as it was rumored that Relivio Vigil would refuse to turn it over to him.

Did Not Present Bond. Justo R. Armijo, newly appointed treasurer, up to a late hour this afternoon had not completed his bond and

Why Resignation Was Tendered.

Washington, D. PLAGUE RAVAGES AT HOME AND IN GERMANY

New Orleans, La., Sept. 6.—With the exception of Lake Providence and Tallulah in northern Louisiana, yellow fever reports from city and country appear of a favorable character.

Locally there are many evidences of the success of the quarantine theory, the most conspicuous being the fact that in the list of new cases for the preceding twenty-four hours, there is not a single one from the forty-four squares in which the fever first appeared.

Dr. Tochenor has wired that the infection is general over at Tallulah, and nurses are needed. The death of Secretary A. L. Lane of the Fifth district levee board, at Tallulah, of yellow fever, added to the alarm there.

CHOLERA HAS CLAIMED THREE VICTIMS IN HAMBURG.

Hamburg, Sept. 6.—A case of cholera, the third up to date, was found today in the heart of the business and hotel district here.

H., Sept. 6.—Life in this picturesque section of New England began slipping back into normal channels today, with the departure of Mr. Witte and the Russian commission on a special train for New York, and of the members of the Japanese entourage, who did not go with Baron Komura last night. Witte was cheered as he left. Mr. Takahira, who headed the Japanese party, also was heartily cheered.

A portion of the crowd then proceeded to the office of the Kokumin Shinbun, a government organ, hurled stones and damaged the machinery. Several persons were injured, but the police eventually cleared the streets and arrested a number of rioters.

Disorder is not general, nor the situation serious. Similar meetings at Osaka and Nagoya denounced the government and asked them to resign.

ANOTHER DEFEAT FOR THE RUSSIAN ISLAND FORCES.

Tokio, Sept. 2, noon.—(Delayed in transmission).—An official report announces a complete and crushing defeat of the remnant of the Russian forces, after five hours of severe fighting at Naibutai, on the west coast of the island of Sakhalien. JAPS THINK NEGOTIATIONS COMMENCED PREMATURELY.

Nagasaki, Aug. 31.—(Delayed in transmission).—The peace news was received without enthusiasm in the chief centers of Kiu Shiu province. There is a general feeling of chagrin that Japan has been deprived of the rightful fruits of victory. The diplomatic failure is considered to be due to the negotiations having commenced prematurely.

ABANDONMENT OF INDEMNITY CAUSES DISAPPOINTMENT.

Yokohama, Aug. 30.—(Delayed in transmission).—The conditions of the peace terms are not definitely known here, but it is rumored that the abandonment of the indemnity will cause general and profound disappointment. There have been no demonstrations here as yet.

TOKIO HAS DISTURBANCE AND POLICE INTERFERE

Tokio, Sept. 5.—(Delayed in transmission).—The first turbulence stirred up on popular anger over the terms of peace, took place today. A mass meeting to protest against the action of the government was called to take place in Hibiya park, but the metropolitan police closed the gates and attempted to prevent the assembly. The municipality protested against the action of the police, and finally the gates were thrown open. A large crowd gathered and voted in favor of a resolution declaring the nation hostile to the government.

NATIVE MUSICIANS FROM HAWAIIAN ISLANDS

Portland, Ore., Sept. 6.—The Royal Hawaiian band, which came to the Lewis and Clark exposition direct from Honolulu, for a two weeks' engagement, has made a popular hit, and it has been engaged for two weeks more. The band is tremendously popular, thousands of people crowding around the big band stand at every performance. The musicians not only play, but they sing, and some of their native Kanaka ballads are delightfully sentimental. A Hawaiian girl is the soloist of the organization. Her songs never fail to please. The band plays several times a day.
